

EFFECTIVE

January 1, 2022.

Subject(s)**SSA Death Match****BAM 808****FIP, SDA, RCA and FAP**

If a full match is found when the federal death file is run, a MDHHS-5983, Social Security Administration (SSA) Death Match Client Notice, will automatically be generated to the group and 10 days given for a response. If the verification is not returned, the system will create a mass update trigger for all cases where the client is active. Eligibility will then be re-determined for all programs on the cases where the client is active.

Reason: Food and Nutrition Service (FNS) audit finding.
